

VOICE

March is Women's History Month

I always feel the movement is a sort of mosaic. Each of us puts in one little stone, and then you get a great mosaic at the end.

Medford Works! - Making a Difference in the Community

A lot of great information came out of the Medford Works Action Summit! This continuing effort has taken on a life of its own and has been recognized as a wonderful asset to the Medford community at large.

The Woman's Club of Medford intends to continue its involvement in this initiative and we welcome any members who would like to take part in the future of our town!

Care Package for a Soldier

We will continue to collect items for our adopted soldier. Items such as batteries, snack items, phone cards will be much appreciated.

Conservation

The WCOM will be participating in an Earth Day project, on Sunday, April 22, 2012, in conjunction with the continuation of Medford Works! Details to follow

Arts

Creative Writing

Up for discussion - To sponsor a creative writing contest for 8th grade students with the theme of tolerance.

International Outreach

We will be creating a Team Heifer starting in the new year.

"Heifer's mission is to work with communities to end hunger and poverty and care for the earth. By giving families a hand-up, not just a hand-out, we empower them to turn lives of hunger and poverty into self-reliance and hope." We need a team name and a fundraising goal before we can sign up as a team.

Fundraising will primarily be through donations at events such as Dickens Festival and/or at events we create ourselves!
BRING ON THE SUGGESTIONS!!!!

In 2007, the UNICEF Tap Project was started in New York City with one simple idea: participating restaurants asked diners to donate \$1 or more for the glass of tap water they usually enjoy for free - with all funds going to support UNICEF Water, Sanitation and Hygiene programs.

This year, the UNICEF Tap Project will take place in March. Restaurants will be asking for donations for a glass of water during World Water Week, March 19-25 and thousands of volunteers will host UNICEF Tap Project events in their communities.

It's easy to donate! Just visit UNICEFTapProject.org for a complete list of participating restaurants and events occurring nationwide. Even if you can't dine out during World Water Week, you can make a direct donation to support their efforts!

Donation Central

Book Donations

Please bring your donations of books and/or magazines for distribution to the Ancora Psychiatric Hospital Library. Julie will be accepting donations in October, January, March and May.

Food Pantry

As you all know, we helped out a family in need this holiday season. The appreciation from this family was overwhelming. In this same spirit, we would like to have donations made at our general meetings. If you could bring one can of food or one baby item (diapers, baby food etc) to each meeting, we will have the start of a well stocked food pantry by this time next year!

Thank you all for your continued generosity!
