A Note from Our President, Kathy Cullen:

In the club year 1925-1926, the Club motto was introduced: "In large things - Unity; In small things - Liberty; In all things - Charity". Our motto today is "Making the Community a Better Place". In that vein, this year will be a year of community partnerships large and small. The Woman's Club of Medford is here to help. To help victims of domestic violence or to help with the fireworks. To help middle school girls realize their potential or to clean and maintain the Veteran memorials at Freedom Park. It is my belief that this year The Woman's Club of Medford will hit new heights and it starts with each and every one of you! In the words of proud member of the Woman's Club of Chataqua New York, Eleanor Roosevelt: "What you don't do can be a destructive force - When you cease to make a contribution, you begin to die". That's why the Woman's Club of Medford is here and that's why we will partner with the community, to make a contribution. Looking forward to all the good things to come!

**Adopted Grandmothers**

Please bring a donation for our adopted grandmothers to the September meeting. If everyone brings a gift item (a bottle of lotion, a scarf, it can be something small and inexpensive) we will have a stockpile of gifts that Alice can use for the ladies throughout the year. They so enjoy these 'gifts from the heart.' Thank you in advance for your donation.

**Facebook Info**
